

Rescheduled

*You and a friend are cordially invited to
join the Conservation Commission for a
Special Evening at the WPCA*

Thursday, JULY 11, 2013

At 6:30 pm

Meet at the Water Pollution Control Authority main building for a full tour of the facilities by our own Ray Drew. Learn about the latest techniques in water purification, waste removal, new regulations, see the state-of-the-art FOG facility and plans for upgrades at the plant.

WPCA - 525 Bogue Road, Harwinton, CT

Followed by a short Meet & Greet at
Carvel's Ice Cream at 650 South Main Street

We hope you can join us for this fascinating evening!
