Attendees of this meeting conducted a site visit of the Open Space Parcel between Grove Street and the Naugatuck River (Assessor's Map 118/016/010). The site visit will begin near the church parking lot on Grove Street.

Members notice there was a significant amount of trash being dumped on this parcel. It also appears that this parcel is being used by dirt bike and/ or off-road vehicles.

The Commission will discuss potential future uses of this site at their next regular meeting
