Re: City of Torrington Facility Plan  
CWF- 546 PG-1

Dear Mr. Rollett:

The Facilities Plan entitled "Facility Plan for the City of Torrington, CT Water Pollution Control Facility (WPCF)" prepared for City of Torrington by Wright-Pierce has been reviewed by the Department of Energy and Environmental Protection.

In accordance with the requirements of Section 22a-482-3 of the Regulations of Connecticut State Agencies, the report is hereby approved with exception. While currently considered ineligible, the eligibility of the recommended WPCF maintenance equipment garage, fourth primary clarifier and dewatering equipment will be re-evaluated after the project has gone through value engineering. This letter represents final approval of this document.

This APPROVAL does not relieve you of the obligation to obtain any other authorizations as may be required by Federal, State or Local laws or regulations.

If you have any questions regarding this matter please contact Stela Marusin at 860-424-3742.

Sincerely,
